més que un club

Barcelona, 21 April 2017

Dear President,

This letter is to inform you, in accordance with the standards regulating the election procedure to the Boards of Directors of Supporters Club Federations, of the list of aspirant candidatures that have obtained the minimum guarantees in order to be proclaimed officially. As you will already know, in the zones where only one single candidature has been presented and if it has obtained the necessary guarantees, then this will be elected automatically without the need for a vote. However, in zones where two or more candidatures have been presented validly and with the minimum guarantees, a vote shall be necessary and the candidature that wins the most votes (by simple majority) will be elected.

For Supporters Clubs and candidatures in zones where a vote will be required, we remind you that the right to vote can be exercised in either of two ways, in accordance with the procedure established in annexes 1 and 2 that we attach here: 1) vote by mail, for which in order for a vote to be considered valid, the voting slip for the chosen candidature must be inserted in the envelope, or the envelope should be left empty if abstaining. And the envelope must reach the Club no later than May 9, 2017 at 8pm; or 2) vote in person, the faculty for any supporters club to exercise its vote in person by going to the facilities designated for casting votes.

FC Barcelona, in order to favour communication between all of the candidatures and the Supporters Clubs, will also be sending you by email any electoral documentation that the former wish to address to the latter. Said mailing, which must reach the club before April 30 at 2 pm via the email address (penyes@fcbarcelona.cat) will enable all of the candidates to express their ideas and projects for their zone.

Best regards,

PAU VILANOVA I VILA-ABADAL
DIRECTOR OF FUTBOL CLUB BARCELONA
